Farsala,1923

Hi! My name is
Diamanto and I
am from Koldere
near Smyrna in
Asia Minor

*I used to be a seamstress
in Smyrna and since 1922s
Asia Minor Catastrophe I
have been living here in
Farsala, in that small, old
house that the State gave
me*

Ohh Smyrna... How beautiful you used to be. But, you children, what do you know about this tragic disaster?
