# Brown Bear Graphing

Can you match the book  
character with the real animal?

# Read & Write the House...

Print the image/word cards and cut apart.

Tape these around the schoolroom or school area in your home.

Give your child a clipboard, and a pencil and have him/her go around and find the words and record them on either the tracing sheet (younger kids) or on the blank lines (older kids).

For fun, allow your child to use funny glasses, a fun word pointer, and a special pen or pencil!. You could even slip the recording sheet into the Crayola Dry Erase Center and have your child use that to write on with a dry erase marker!

See our blog post about [Read & Write the Room here](#).
