Dolphin Therapy for Persons with Special Needs

Dolphins have a special way of making people feel more 1..... about life. There are several 2..... which help people with special needs by getting them to play with dolphins.

People with special needs often live 3..... lives in hospitals or day centres where they follow set programmes. Depending on their 4..... they get up at fixed times, eat at 5....., do physical exercise at regular times throughout the day and go to bed at the same time. They lead very regular lives.

What are some of these people with 6 doing today? They're in Florida and they're playing with dolphins. A 7..... association has organised this day as a Christmas present for them. The children are having fun swimming with the 8..... They are holding onto the dolphins and the dolphins are pulling the children along. They are all enjoying every moment. These are people who don't always smile but who are smiling today.
