

C. WRITING (30%)

Your school is running a campaign against teenage addiction and is asking for ideas how to prevent addiction before it starts. Make a post (120-180 words) suggesting ways to prevent addiction among young people.

or

A significant number of people is struggling with certain addictions. However, as it is frequently quoted “prevention is better than cure”. Write an essay (120-180 words) suggesting ways to prevent addiction before it starts. Your essay will be published in the school magazine.
