**THE Invisible Mentor**

“His one sorrow was not solitude, it was that the other gulls refused to believe the glory of flight that awaited them; they refused to open their eyes and see.”

“Look with your understanding, find out what you already know,  
and you’ll see the way to fly.”

“Don’t believe what your eyes are telling you. All they show is limitation.”

“‘The only true law is that which leads to freedom,’ Jonathan said.  
‘There is no other.’”

“‘Why is it,’ Jonathan puzzled, ‘that the hardest thing in the world is to convince a bird that he is free, and that he can prove it for himself if he’d just spend a little time practicing? Why should that be so hard?’”

“We can lift ourselves out of ignorance, we can find ourselves as creatures of excellence and intelligence and skill.”
